Social Events at our Club

COVID-19 Safety

We cannot wait to welcome you back to our club for social events, but we need to make sure that everyone attending is safe. Upon arrival, as well as your tickets, anyone over 18 must demonstrate their **Covid-19 status** to gain entry in one of the following ways:

• **Full vaccination** (first and second dose), and with the second dose administered at least 14 days before your visit;

Proof can be Covid Pass (NHS website) or proof of ID and show of vaccine cards.

OR

• **A negative lateral flow test** taken within 48 hours of your visit;

Proof of result from reporting test via NHS Covid website which sends email/message confirmation to individual or personal mobile phone photograph of test.

OR

• **Proof of natural immunity** (positive PCR test within the last six months, after self-isolation has ended and up to 180 days after taking the test).

Proof is a Positive report from PCR test within timescale as above.

Tickets for events will be sold over the bar and names will be taken for test and trace purposes.

Our current safety measures of sanitising, suitable ventilation, mask wearing in busy areas, max 2 people in toilets, and card payments will continue.

Each event will be risk assessed to provide a safe and comfortable environment.

Thank you for your continued support.
